I wish to thank everyone who has sent me info on my Dyer family, which is my Mothers family.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

One letter survived that he wrote to his mother 16 Jun 1864 Thursday. I have a copy of the original and also a copy was sent to the Kahoka Gazette-Herald newspaper and was printed on 2 Sep 1876. He was on duty at the time he wrote and said he was sorry she was disappointed she didn't get to see him when he was in Louisville. He started from Nashville abt 5 o'clock and got there abt 8 the next morning. Continued on 17 Jun, as was called to picket. He got to the Regt the 10th and been in line of battle every nite. Tells about some battles, some killed and such. Don't know when I will fall or not, the good lord has protected me this far and have faith he will in the future. I feel that if it is my lot to fall on the field of battle that is as well with me in the future so if this be my last letter to you I die in hope of meeting you in the better world above. DEATH:: A typed copy of the obit from the Purcell Register dated 23 Mar 1961 was sent to me by the Library of Purcell. "Dyer Services Held Last Week -- Stroke Is Fetal To Pioneer Resident-- Funeral Services for James Harvey Dyer, 84, a resident of Purcell since 1907, were held on Wednesday of last week in the First Baptist church, with Rev. Wayne Pearson officiating, assisted by Rev. Kenneth Robinson. -- Dyer died March 13 in the McCurdy Memorial hospital following a five-weeks illness. He had been critically ill after suffering a stroke. -- J.H. had served as deacon of the First Baptist church for many years, was a former member of the Purcell school board, the Purcell Rotary Club and was associated with the old Chickasaw National Bank for a number of years. He had been retired for a number of years.-- A male quartet of Tommy Gutt, W.C. Smith, L.M. Lacy and Frank Berry sang two of his favorite hymns. Interment was in Hillside cemetery under the direction of the Conner Funeral Home. -- Survivors include his wife, Sadie K., of the home; a niece reared in their home, Mrs Arline Forehand, Amarillo, Texas; two brothers, Henry of Kahoka, MO, Cleveland Dyer of Detroit; and a number of nephews and neices."

Harve as he was called by his family members was born on a farm near Fairmount MO and then went to the Gem City Business College in Quincy, IL abt 1900. He worked at bank in Kansas City, MO before moving to Purcell, OK in 1907.

Arline said he worked at the Chickasaw National Bank, first as a teller then later as Cashier and then became Director of the bank.

He and his wife never had any children but they did raise his wives niece, whom I met at the old home place in Purcell, OK on a visit there in Oct 1978.

They bought the home at 429 W. Washington in 1914 and lived there until their deaths. He in 1961 and she in 1978. Unfortunately I had just located them just after she died in June. I visited with Arline Forehand, the niece they raised. She was living in their home at that time. She told me the house was built in 1912 by Charles Gibbs, who also built the court house in Purcell. The first home in Purcell to have plastered ceilings. The oldest tree in their front yard was pictured in Life magazine (year ?) It was the largest Elm tree--90 feet across, east and west. I have a picture of it taken Oct 1978. Also picture of their house.

Have a picture of their wedding and Arline said Sadie made her wedding dress. Also a picture of Sadie before she died. Didn't take picture of Arline at the time I visited her.

In 1961 Arline was living in Amarillo, TX. She was a daughter of sister to Sadie and after her mothers death she went to live with Sadie and Harve. 1978 obit of Sadie, she was living in Oklahoma City, OK.

I had written to Sadie in 1975 and she told me nothing. I got Harve's obit and found out something about his life from that. Then planned to go there in the fall of 1978 to visit Sadie and take pictures of cemetery stone. As it turned out she died just before that so when we got there we met Arline and she told me about them.

They also recalled that on their wedding day it was cold and the snow was quite deep. They went in a sleigh to be married and after the ceremony they partook of a lunch that had been prepared for them. I have their wedding picture and also the one in the paper 50 yrs later. Hi Laurel,

Thank you so much for the obituary, I really appreciate it.

I have enclosed some family group sheets that appear to be a little outdated as I don't have any up to date info on your family so would you mind, when you have some spare time to include the info that is missing so I will have the updated info?

Also did Ray's sister and brother IdaBelle and Frank have any children? If you have their updated address would help as if they did, should write them and get the info as well.

You wouldn't happen to have a later picture of you and your family lying around would you. I really appreciated the ones you sent of the family when all were much younger.

Hoping to hear from you in the near future.

Thanks a lot.

Sincerely, your cousin

# Letters to the Editor

## TO THE EDITOR

August 26, 1976

Dear Sir:

I have enjoyed very much the Civil War letters you have published in the Kahoka Gazette-Herald over the past weeks. They are very interesting and informative.

Recently, I happened to come across a letter that my great grandfather, Charles Hillory Dyer, wrote to his mother while he was in the Civil War, which I thought was quite interesting. He was in C Company, 81st Regiment of Indiana Infantry. He enlisted August 16, 1862 and was discharged June 1865. He was taken prisoner at Lookout Mountain, Georgia on September 7, 1863, and was confined at Richmond, Virginia until March, 1864. He was in and out of hospitals until May 16, 1864 when he returned to duty. He wrote this letter June 16, 1864 to his mother in Corydon, Indiana. Since Charles Dyer lived in Kahoka from 1866 until his death in 1915, I thought it would be interesting to have the letter put in the paper.

The letter is as follows:

Thursday, June the 16th, 1864

Dear Mother,

I hasten to drop you a few lines to let you know that I am well hoping those few lines may find you enjoying the same. Also that your letter of the 3rd came to hand yetarday and was read with great pleasure. I was very sorry to here of your disapointment of seeing me at Louisville. I would liked very much to of seen all of you but could not stay to see you. I started to Nashville about five oclock and got there about 8 oclock the next morning.

Well Mother you may think it strange when I tell you while I am writing this our cannons are fireing about 3 shots per minute not more than 30 yards from where I am sitting.

This is June the 17. I was called to go on picket while writing this letter so I have been relieved. I got to the Reg.

on the 10th and have been in line of battle ever since and have worked nearly every night. Since I went on Picket their has been a Lieut. wounded by a rebbel shell. Also a man killed in our Co. day before yestardy he was shot in the right breast and was killed almost instantly. There was a prety smart battle fought last eavning we had several men killed and wounded and killed a good many rebs. I was between our battery and the rebs battery while the fighting was going on and it almost made the hair raise on my head when they fired it. It is raining so I must quit it has rained a little and quit. The battle is still raging. I can here the cannons and muskets all the time. I can not tell at what moment I will be called into battle and name but one who knows whether I shall fall or not but the Lord has protected me thus far and I have faith to believe that he will in the future but I feel that if it is my lot to fall on the field of battle that it is all well with me in the future so if this be my last letter to you I die in hope of meeting you in the better world above.

I must close, if permitted I will write again in a few days.

Please give my warm respects to all the family relatives and friends. Please write soon.

From your affectionate son  
until death parts us

Charles H. Dyer

To his ever remembered  
Mother, Sarah E. Dyer.

Excuse this paper for it got wet.

(This letter was written as it was written, bad spelling and all. His handwriting was quite easy to read even after all this time.)

Sincerely,

Mrs. Gladys Lowe Treadway  
2008 18th Street

Bettendorf, Iowa 52722.

Section 5. This ordinance shall be in full force from and after its adoption and approval.

breast and was killed almost instantly

there was a pretty smart  
battle fought last evening  
we had several men killed  
and wounded and killed a  
good many rebs I was betw  
ween ~~bet~~ our battery and  
the rebs battery while the fight  
was going on and it almos  
made the hair raise on my  
head when they fired it is  
raining so I must quit  
it has rained a little and quit  
the battle is still raging I  
can here the Cannons and  
muskets all the time I can  
not tell at what moment I  
will be called into battle  
and none but one who knows  
whether I shall fall or not  
but the Lord has protected  
me thus far and I have faith  
to believe that he will in  
the future

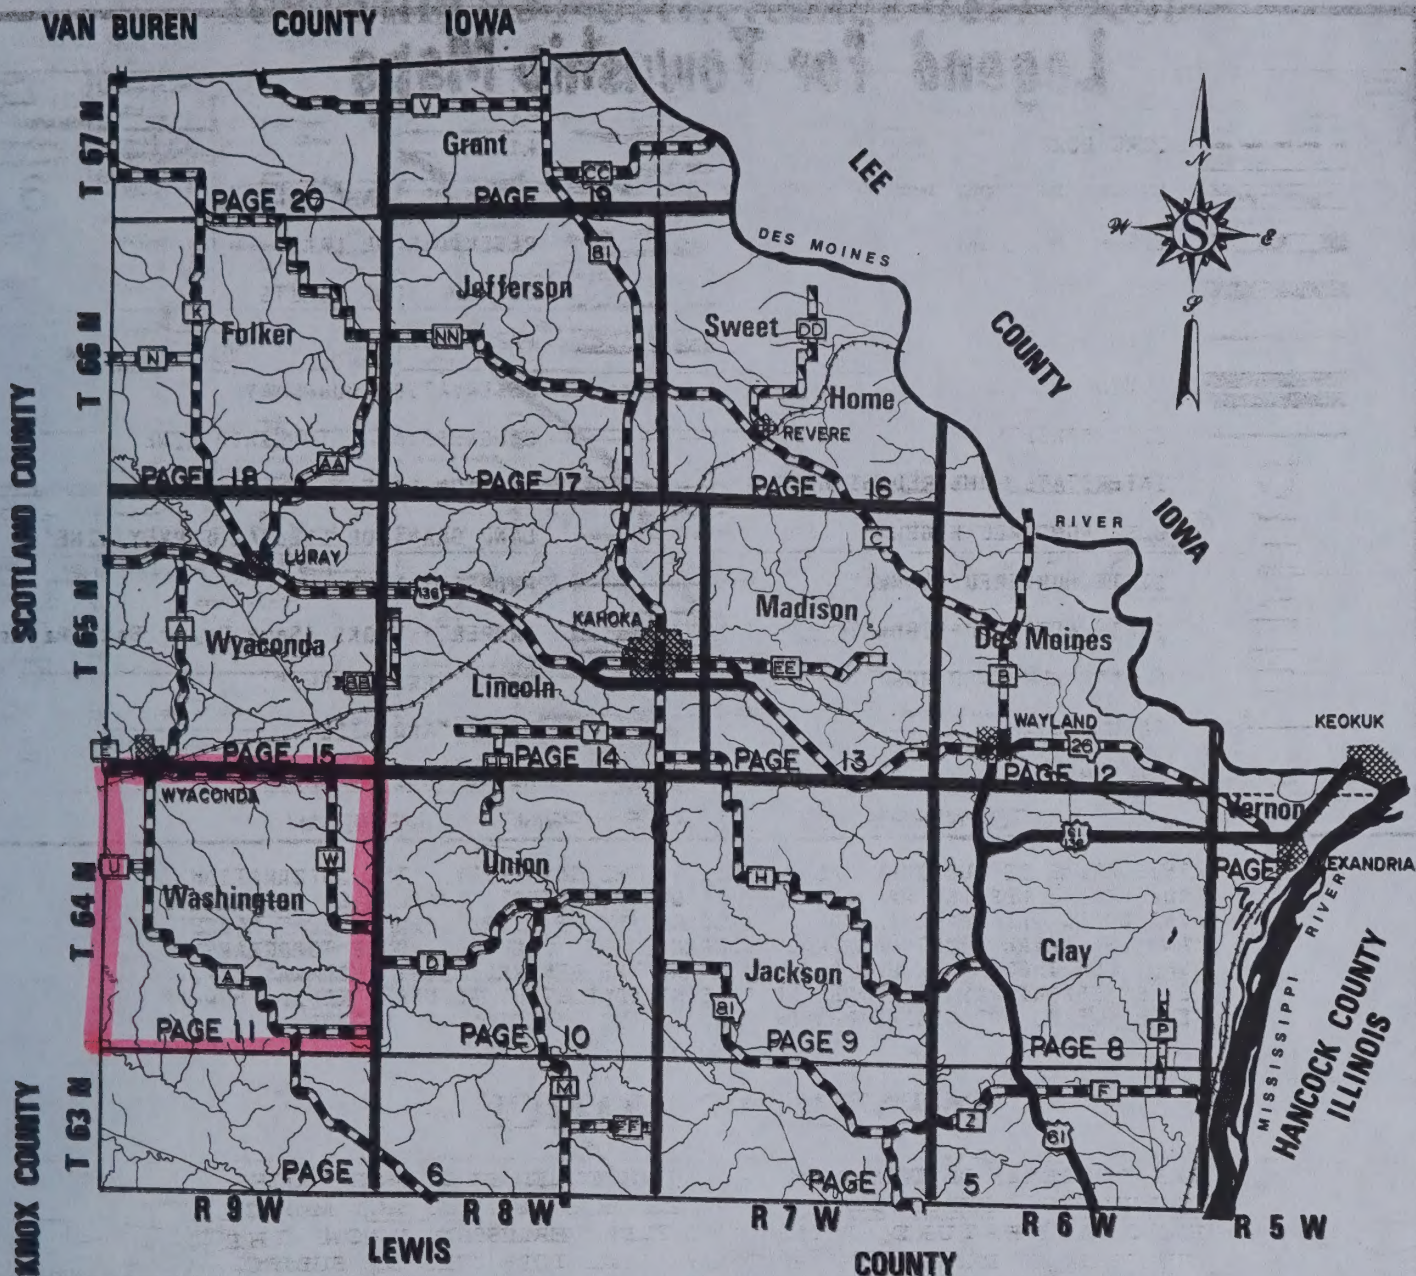

but I feel that if it is  
my lot to fall on the  
field of battle that it is  
all well with me in the  
future so if this be my  
last letter to you I die  
in hope of meeting you  
in the better world above.  
I must close if permitted  
I will write again in a few  
days give my warm (days  
respects to all the family  
relatives and friends  
Please write soon  
from your affectionate son  
until Death parts us

Dear Lorene & Gladys:

Thank you so much for ~~your~~<sup>your</sup> check for \$10. It was so thoughtful of you.

He gave it to Mr. Moncrief to be used for the upkeep of Goodville Cemetery. It is well kept but they are low on funds & I think Norma would have liked it to be used in that way.

Norma appreciated your letters and visits so much.

Gladys, I believe you are interested in the Weyer History.

Norma has some pictures of the Weyer family and some of her grandparents. If you would like to have them, I will save them for you.

Norma had a stroke the 5<sup>th</sup> and was unable to speak & her arm was paralyzed. Then she kept having more strokes & was unable to eat. They used T.V.'s for a while & a tube to feed her. Her lungs became infected and she just couldn't recover.

He will miss her so much but she wouldn't have wanted to live in that condition. Am sorry you couldn't make it to the funeral. Sincerely - Rosalbe C.

The family of

acknowledges with deep appreciation  
your kind expression of sympathy

Thank You

## Kiwanis Bowling Tournament

At around 1:30 Saturday afternoon, Jan. 22, our local Kiwanian Professional Hotshots Bowling Team gathered to forge off way down south to the city of St. Clair, Mo., to show the people down there just what the game of tenpins was all about.

First, let me mention about the difficult and tedious task there was to select the pros that make the trip, as of course they wanted only the state's best bowlers to participate. So, after much screening and deliberation the selection was finally approved by only one vote margin of the committee, actually the committee consisted of only one member. As it turned out the five selected were the only eligible Kiwanis members that could get away at this time. Anyway our Hotshot team consisted of Dick Brewer, Gene Armstrong, Bob Shaffer, Jerry Childress, and Larry Fountain.

This tournament was sponsored by the St. Clair Kiwanis club and the money they received over and above the actual tournament expenses went towards youth activities.

It just so happened that our team paired up with the St. Clair Kiwanis Bowling team, so we had quite a battle. Our first game was pretty close with St. Clair in the lead 1080 to 1060, the second game found Kahoka taking over the lead with a 1040 as St. Clair dropped off in the 900's. At this point we felt that without a doubt, at the way the pins were falling there was no reason why we wouldn't be on top of the heap after that day's bowling as we already had 2100 after 2 games and the top team at that time had only 3126 for a 3-game series. But our gallant gentry must have got a little stage fright, or victory consciousness, or something as things started reversing the trend and our valiant gents from Kahoka slipped down off the throne and had to settle for nothing but the experience and the long grueling trip down there and back. Our last final game was a 948, totaling to 3048 for the series. With St. Clair bowling around 1100 for a total of 3140 to take over 1st place in the tourney.

Our unyielding Kiwanian President, Dick Brewer, was struggling out a 232 his first game, Larry Fountain was high in the second game with 220, and Bob Shaffer had a 191 the third game. Dick Brewer also took high series honors of our team with a 565. Low series was a 488 but I won't mention any names as it might be sort of embarrassing.

It was quite a distance to travel but we all had a lot of fun and visiting with the Kiwanis members of St. Clair, Mo. 1-28

## Wyaconda RNA Has Oxygen Available

The Wyaconda King Camp 3038 of Royal Neighbors held their regular meeting on January 18 at the Community Hall. Seventeen members were present. Correspondence was read, bills presented and paid. It was also announced that a check for \$35.75 was sent to the Swing Ezy Square Dance club disaster fund. Class adoption was ably presented by Marshal Mary Hunziker and her assistant, Yvonne Lindsay. We are proud to have two new social members Neighbors Helen Alexander and Mary Dittmar, also a new beneficial member by transfer, Neighbor Ruby Peterson.

Three birthdays were honored and after the meeting was adjourned we were served delicious refreshments. The table was decorated very nicely and each received a valentine. Following that games were played and each one received a gift. We all enjoyed the evening very much.

In regards to the Emergency Oxygen tanks that are available to the public, we wish to say that they are in the Community Hall until further notice. Following is a partial list of persons who have keys to the hall, and their phone numbers and they are available to the public. Since this is for community service please feel free to make use of it in an emergency. Any Royal Neighbor will be glad to explain anything you do not understand.

## AGRICULTURE IN ACTION

CLARK Q. LEWIS

**Missouri Reports Record Crops**  
As we look back over the 1965 crop season, we can report that it was generally favorable. Rainfall was quite in excess above 1964 with flooding in July and September along the Missouri river and many lesser streams. Heavy damage was evident mostly in the northwest quarter of the state. However, there was some reduction in soybeans and cotton in the Bootheel in late summer due to dry weather.

It was interesting to note, as we look at the reports, that soybean acreage for the first time

## John Deere Day

All aboard for John Deere Day, Thurs., Feb. 17, 1966, 1:30 p. m. at Kahoka. "Power Train '66 - What's New in The Long Green Line" is the John Deere theme," says McAndrew Bros., "and on John Deere Day you'll see a fast-moving film high lighting new equipment. The 1966 additions to The Long Green Line were dramatically filmed aboard a 1/2-mile, 48-car train and at work in the field. It's an entertaining and informative way to introduce you to four new tractor models, new tillage equipment, new planters, new cultivators, new forage tools, new harvesting equipment, and other modern, new tools."

McAndrew Bros. will also hold an open house to display many of the latest model John Deere tractors and matched equipment. Visitors are invited to inspect the machinery and farmers can make arrangements for free demonstrations on their own farms.

"All farmers, their families, and other people in this area are welcome," says Mr. McAndrew. "Lunch and refreshments are free. We believe you'll enjoy the exciting program. There's something of interest for each and every farmer in The Long Green Line from John Deere for 1966. 1-28

## Otto Graham To Coach Redskins

Otto Graham, new coach of the Washington Redskins, has promised plenty of excitement for fans and the players plenty of hard work the coming season.

Dear sir:

Will you please stop our Gazette-Herald? It seems some where along the way the papers seem to get to us on the same day. I mean the Courier and Gazette.

Please add remainder of Gazette time on the Courier if it's O. K. with you. We just can't get along without the Courier.

We are simply having ideal weather and construction work is going along very good for this time of year. We have no snow on the ground. We have had snow flurries several times but no heavy snow as yet. Neither have we had any below zero readings in 1965 or 66.

I am digging trenches over 20 feet deep with a diesel-powered hoe, a large one, and there isn't much frozen ground. It's nice digging and no large frozen chunks of frozen earth to fool with.

Best wishes to you and your entire staff, Mr. Rowe.

Yours truly,  
Carl E. Jesberg

QUAD-CITY TIMES

No amount of rain could wash away the sea of pink and seemingly infinite amount of smiling faces Saturday at an event where optimism seemed to be the theme.

More than 9,200 runners and walkers, a record number, sporting the pink ribbons, shirts and hats to symbolize breast cancer awareness participated in the 10th annual Susan G. Komen Quad-City Race for the Cure.

Many racers carried signs in honor of their loved ones who have died from breast cancer.

In addition, hundreds of onlookers lined the streets of Arsenal Island to support their friends and family taking part in one of the day's three races: the 5K women's run/walk, 5K men's run/walk or the one-mile family walk/run.

"It's just been phenomenal," said Judy McFarlin, co-chairwoman of the race. "The last few years, the numbers have really shot up."

Last year's race brought 8,356 participants, and 6,400 joined in 1997.

Rising numbers aside, McFarlin pointed out the most pertinent statistic: The number of breast cancer survivors in the race is rising.

There were 471 survivors walking or running at the 8 a.m. crack of the first starter's pistol this year, up from 371 last year, she said.

All of the sweat and effort should be worth more than \$100,000 to Quad-City area women to help promote breast cancer education and awareness, said Tia Watson, marketing and public relations director at Genesis Medical Center, Davenport.

Amy Bush, co-chairwoman of the race, said that 75 percent of the proceeds would be spread throughout the local community

NOTES:

BIRTH: Info from family and funeral home remembrance.

MARRIAGE: Florence never married

DEATH: Info from funeral home remembrance. Also info from cemetery stone in the New Woodville cemetery near Wyaconda, where her parents were buried.

The probate records are at the court house at Kahoka, MO. Florence household goods sold for \$315.80 at Public Auction, which had been appraised at \$302.00. She had a balance of her estate of \$386.00 to be divided 14 ways from 1/7 to 1/56 that went to her heirs. My grandfather, Henry Dyer being one of them.

I don't know what Florence did in her early years but after her father died she went to live with her mother and took care of her till her death. Mother had diabetes and went blind in her later years and they lived in mother's home in Wyaconda.

She belonged to the Baptist church.

There is a tower (of strength  
For you and me . .

Tis that which we call faith  
And as the sea

Oft dashes on the rocks  
To no avail

So storms may come to us;  
But in the gale

We lean upon that faith  
And soon once more

We see a beacon light . .  
It is the shore.

—Am enclosing a few dollars as a renewal to your paper as this is about the only way of keeping in touch with my former friends, down around St. Francisville there seems to be quite a few changes there since I left in 1905, but I still love the old home town and people there. How is my good friend Mr. Bail? Hope he is enjoying good health.

My kindest regards to everyone.

# DYER

Florence Ellen Dyer, daughter of Charles and Melvina Boley Dyer was born in Clark county, Missouri on the 12th day of June 1947 at the age of 78 years, 2 months and 15 days.

She was a member of a family of 10 children one of whom died in infancy and her brother Edward Dyer who passed away on the 19th day of March, 1942.

Miss Florence as she was usually called was a lady of the highest type. Her character was beyond reproach. She had a kind and helpful disposition. Her home was always open to her relatives when in need and was willing to give of her substance and administer to their needs. Truly a good woman has gone to her reward.

She was a faithful member of the Baptist church.

There remains to mourn her death the following named brothers and sisters: George Dyer, Wyacoconda, Mo., Mrs. Nettie Raine, Wyacoconda, Mo., W. W. Dyer, Maryville, Calif., Harve Dyer, Purcell, Okla., Henry Dyer, Kirksville, Mo., Mrs. Lulu Catlett, Keokuk, Ia., J. C. Dyer, Detroit, Mich., 6 nieces and 7 nephews, other relatives and friends without number.

Funeral services were held on June 16 at 2:00 at the Baptist church at Wyacoconda with Rev. Ivan Cull officiating.

The pallbearers were Gene Kurtz, Merton Hayden, U. S. Shaffer, Elmer Moncrief, Oral Courier and Clark Boyer.

The music was furnished by Josephine Fry and Nedra Lee. St. Clair with Marie Baskett at the piano.

Interment was made at the Woodville cemetery.

# ST. PATRICK LADIES

The ladies of St. Patrick held an important meeting after mass last Sunday. The discussion was serious for before them on this July 4th, in a bigger and better banquet than even those of past years. The problems that lie in the way were fully considered and the good ladies feel that the public can depend on them for another fine feast that usually awaits all comers to St. Patrick on Independence Day.

Dyer, Bertha Mae Woods, Martha Rinker, Edith Suter, Nellie Leona } No. 19056  
Keach, and Anna Dyer, -----Defendants. }

DECREE IN PARTITION.

Now on this 19th day of December, 1949, during the December 1949 Term of this Court, this cause coming on for determination, comes the plaintiff by G.R. Breidenstein, his attorney of record herein, and the defendants although duly served with summons come not but make default, whereupon this cause is submitted to the Court upon the pleadings and the evidence offered by plaintiff in support thereof.

The Court finds that all defendants were duly served with summons as provided by law more than thirty days prior hereto; and that the Court has jurisdiction of the subject-matter of this action and of all the parties hereto.

The Court further finds that the plaintiff and the defendants H.S. Dyer, Nettie Raine, Lula B. Gattlett, J.H. Dyer, John Cleveland Dyer, Bertha Mae Woods, Martha Rinker, Edith Suter and Nellie Leona Keach are seized in fee as tenants in common of the lands described as:

Lots six (6), seven (7) and eight (8) in block five (5) of the Original Town of Wyaconda, Clark County, Missouri.

The Court further finds that the fractional share in said lands to which each of said parties is entitled is as follows:

|                     |          |                    |         |

| George A. Dyer      | 284/1764 | Bertha Mae Woods   | 15/1764 |
| H.S. Dyer           | 284/1764 | Martha Rinker      | 15/1764 |
| Nettie Raine        | 284/1764 | Edith Suter        | 15/1764 |
| Lula B. Gattlett    | 284/1764 | Nellie Leona Keach | 15/1764 |
| J.H. Dyer           | 284/1764 |                    |         |
| John Cleveland Dyer | 284/1764 |                    |         |

The Court further finds that said lands are not susceptible of division in kind without great prejudice to the parties entitled thereto; and that it is for the best interests of all the parties that said lands be sold and partition be made of the proceeds thereof.

The Court further finds that the plaintiff George A. Dyer and the defendants H.S. Dyer, Nettie Raine, Lula B. Gattlett, J.H. Dyer, John Cleveland Dyer, Bertha Mae Woods, Martha Rinker, Edith Suter and Nellie Leona Keach are seized in fee as tenants in common of the lands described as:

Lots nine (9), ten (10), eleven (11) and twelve (12) in block five (5) of the Original Town of Wyaconda, Clark County, Missouri.

Circuit Court Record, Clark County, Mo.

The Court further finds that the fractional share in said lands to which each of said parties

is entitled is as follows:

J. H. Dyer

The Court further finds that said lands are not susceptible of division in kind without great prejudice to the parties entitled thereto; and that it is for the best interests of all the parties that said lands be sold and partition be made of the proceeds thereof.

The Court further finds that it would be to the best interests of all parties entitled to the lands herein, including both of the foregoing described tracts, that an abstract of title be made thereto to be delivered to the purchaser of the respective tracts of land.

Wherefore it is the judgment of the Court that both of said tracts of land aforesaid be sold by the Sheriff of Clark County upon due advertisement as provided by law; that abstracts of title be made to each of said tracts of land the cost of each such abstract to be taxed as costs against the proceeds of the sale of such tract of land; that all other costs incident to this suit be taxed against the proceeds of the sale of each of said tracts of land in proportion to the price received for said land as said Sheriff's sale; and that the proceeds remaining from the sale of each of said tracts of land after the payment of all costs be divided among the parties entitled thereto according to their respective interests as above set out.

These pictures have no identification -  
 However I wonder if the ones of the older  
 woman\* and younger one could be of Nettie Dyer Raine  
 1871- 1949 - and her daughter Ardie Raine born 12-23-1908-  
 She was the child who remained with her Mother after  
 Nettie and Guy Raine were divorced. The group picture seems  
 to be of people traveling (note the suit cases)

They have a ranch in the Mojave Desert where they spend some of their time. They had two dirt bikes and two dune buggies and they ride them in the desert (1975). 1987 they bought out the third partner of their ranch and now it is owned by only two partners.

**HUSBAND** Ray Arthur RAINE-404**NOTES:**

**BIRTH:** Info from Laurel and Raine family bible. Have pictures of family taken Dec 1973.

**MARRIAGE:** Info from Laurel.

Ray was in the Navy from 1943 to 1946.

Ray has been in the education field most of his adult life. He was a football coach and Math teacher for many years then went into the Administration field. 1970 he was in the Administration of the El Monte Adult School. Jan 1988 Ray will retire.

They have a ranch in the Mojave Desert where they spend some of their time. They had two dirt bikes and two dune buggies and they ride them in the desert (1975). 1987 they bought out the third partner of their ranch and now it is owned by only two partners.

Had corresponded with Laurel since 1975 and have kept in touch, mostly at Christmas time. She sent me pictures of the family at that time. Many years they lived in Hacienda Heights, CA and by 1991 they were living at 368 Dunbar in Morro Bay, CA 93442.

1998-- Ray had been undergoing radiation for lung cancer but thinks in remission for now.

1999- Laurel says Ray's cancer was back in the fall and so changed Doctors and had chemo and now radiation again (Dec) so don't know how it is going.

2001- Jan, Laurel sent word that Ray had died on the 7th of Jan. in Morro Bay, CA. Benedick-Retty Chapel in charge of funeral. Don't know where is buried at this time.

**OBITUARY:** Believe from San Luis Obispo paper "The Tribune" Thurs 11 Jan 2001, pg B2: "Ray Raine --- Ray A. Raine, 74, of Morro Bay, died Sunday, Jan 7, 2001 at his home. --- A private family memorial service celebrating his life has already been held. --- Mr Raine was born in Hollister, Idaho, to Arthur and Lillian Raine. He served in the U.S. Navy during World War II aboard the USS Intrepid. He was an educator for 35 years for the El Monte School District as a math teacher, football coach and later as an administrator. --- Mr Raine is survived by his wife of 54 years, Laurel; brother Frank of Oregon; sister Ida of Washington; two sons, Danny and wife Linda of Morro Bay, and Kevin and wife Bonni of Los Osos; seven grandchildren, Lori Raine-Owens and husband Mike of Woodland, Shane and wife Amy of Boise, Idaho, Heather Raine-Bloom and husband Greg of Sunnyvale, April of Morro Bay and Jonathan Kennedy and Lucas of Los Osos; and one great granddaughter, Evrette of Boise, Idaho. He was preceded in death by his parents, three brothers and three grandchildren." (the 3 brothers listed would have been step bro as his mother had 3 children coming into the marriage)

**WIFE** Laurel J. VAN SANT-409**NOTES:**

Info from Laurel 1975 and updates.

Laurel wrote 1975 and sent me info on the family and have kept in touch since then.

Her father was born at Farragut, IA and her mother in Canada and she came to Iowa as a child. Both are deceased (1975). She still has relatives there. She and her sister planed a trip for the summer of 1975 to visit them. Was first time they had been there since they were teenagers. They and their parents moved to CA when she was quite young.

Laurel likes to collect Depression Glass and some antiques.

She wrote in 1987 and said they had bought out a third partner of their ranch in the Mojave Desert and they now own it with Errol and Jo Van Sant. Ray was going to retire in 1988.

1999- Laurel is enjoying living in Morro Bay and being active in the church, U.M.W. and Women's Club and redecorating the house, all keeping her busy. She said April is living in Southern CA and has an agent in Hollywood and enjoys acting and doing a lot of work as an extra. (not sure who she is?)

**CHILD 1** Danny Ray RAINE-410**NOTES:**

Info from Mother, Laurel first in 1975 and update 1987.

Danny was in the Coast Guard and was in college for three years. Trying to get a permanent job in the Forrest Service (1975).

NOTES:

Info from Laurel 1979 and 1987. 1979 Keven was living at 1915 Batson, #33, Rowland Hts., CA 91748.

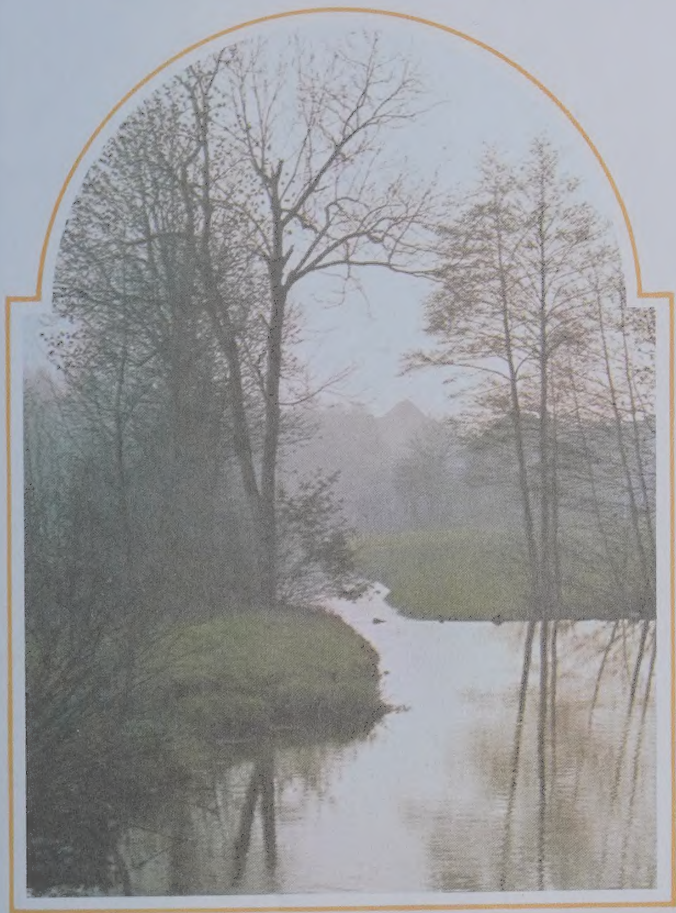

He was a Custodian at that time. 1987 he had two children.

1999- Kevin, Bonni, Jonnathan, Kennedy and Luccas became home owners in Sept. which is near Los Osos. Apparently there are 2 more children since 1987.

Obit of father Jan 2001 listed Kevin and Bonni living in Los Osos.

God hath not promised  
    Skies always blue,  
Flower-strewn pathways  
    All our lives through,  
God hath not promised  
    Sun without rain,  
Joy without sorrow,  
    Peace without pain.

But God hath promised  
    Strength for the day,  
Rest for the labor,  
    Light for the way,  
Grace for the trials,  
    Help from above,  
Unfailing sympathy

We are doing pretty well  
but some days are not so  
good.

Keep in touch. My Patience  
family is having a Reunion  
in Winterset Iowa this summer  
but I don't think either my sis  
or I are up to the trip. I need  
to go to Idaho to see <sup>the</sup> new little  
Great Granddaughter.

Gladys.

Thanks for your kind card and message. I'm sending a copy of the obituary as it ~~appeared~~ was in the San Luis Obispo paper.

I was interested that your mother remembered a visit to Missouri by Rayo father. Still much I need to learn about the family and a friend & I are going to start some research soon. There is a good LHS library in SLO and an active society. With a lot of help did get the Raine family back to the Civil War

Dear Gladys:

Sorry I'm so slow - just so many loose ends to take care of. I'm doing pretty well. Made a trip with son Danny to Idaho. It was too fast; but did get to see some of the places we had lived at and where Ray went to school (So. Idaho College of Education) we were married at that time and Danny was a baby.

I'm copying some pictures to send of the kids (Grand kids) and hope the information on the group sheets is ~~no~~ what you want. The ones for Ida's and Frank's family I'm sending to Ida - Hope she'll give you the information as I really don't know her or Frank's kids birthdays & marital status. The families used to be pretty close but last few years have not seen much of each other. Ida and I are now starting to keep in

touch again; but never hear  
from Frank; so if she doesn't know  
maybe she'll pass it on to him.

Wish I could be more help. I'm  
sending Ida a bit of information  
on the family relationships as I don't  
think she knew too much about  
her Dad's - Mother's family - or what  
the connection was.

Hope alls well with you.

Laurel

Obit from The Stateman of New Meadows, ID. (two articles from papers)

Her obit said they lived in a cabin near Black Bear Inn in Round Valley, near Council, ID. The cabin looked liked she had burned items that belonged to her. Dragging the river was futile and did not locate the bodies. A reward of \$75. 00 was offered by the Freeman and Brown Stage Co. for recovery of the bodies. The two heads of the firm being Uncles of the missing woman's husband.

Mr Clark was well known, being a son of Mr and Mrs E.E. Clark, pioneers of this section. His mother apparently took him into the river with her and they both drowned. They were found abt 6 weeks later tied together by a rope. He was about a year of age when he drown in the Little Salmon River near Council, ID.

If Bobbie was 1 year old and he drowned in 1927, would be more likely he was born 1926.

Woman Thought to Have Taken  
Life in River.

BOISE, Idaho, June 6.—(AP)—A special dispatch to the Statesman today reports the mysterious disappearance of Mrs. Howard Clark, 28, and her year-old son, Bobbie, believe to have been drowned in Weiser river at New Meadows, 120 miles northwest of Boise.

Mrs. Clark left the Black Bear Inn at New Meadows Saturday with her son. She left a note saying "Life is not worth living, so I am going away and taking my baby, Bobbie."

Tracks in the mud of the Weiser river bank led searchers to believe she had plunged into the river.

## RECOVER BODIES OF MOTHER AND YEAR-OLD BABY

MRS HOWARD CLARK AND SON MISSING SIX WEEKS, FOUND LASHED TOGETHER

IN LITTLE SALMON RIVER

( Special to the Statesman)

NEW MEADOWS— More than six weeks after her mysterious disappearance, the body of Mrs Howard Clark, 28 and that of her year-old son, the baby lashed to her with ropes, were recovered Tuesday morning from the waters of the Little Salmon river. The bodies were found about a quarter of a mile from the point where they were believed to have gone in.

A salesman from Lewiston, whos name was not learned, discovered the woman and baby and reported to Coroner Robert Young and Sheriff William Winkler.

Burial took place here Tuesday afternoon. No inquest was held.

Mrs Clark disappeared from the Black Bear inn June 4, after having destroyed school diplomas and personal effects at her home. She left a note saying "life is not worth living", and that she was taking the baby with her. Tracks in the soft mud of the Little Salmon river bank led officials to believe the woman had committed suicide by drowning herself in the river, taking the baby to its death with her.

### DRAGGING RIVER FUTILE.

All efforts to recover the bodies by dragging the stream proved futile, through crews worked constantly for days. When the bodies could not be located, officials abandoned the theory of suicide and took up other clues. One clue led to the detention in Lewiston of a woman who answered to the description of Mrs Clark, but officers from there who knew Mrs Clark, were unable to identify the woman being held.

A reward of \$75.00 was offered by the Freeman & Brown Stage company for recovery of the bodies, the two heads of the firm being uncles of the missing woman's husband.

The Clarks were well known here, Mr Clark being a son of Mr and Mrs E.E. Clark, pioneers of this section. The young couple had resided near here since their marriage four years ago. Prior to Mrs Clark's disappearance, they came to New Meadows from Council to run a band of sheep here during the summer. Besides her husband, Mrs Clark, who formerly lived in Boise, is survived by her mother, Mrs Jack Smiley of Council and two sisters, a Mrs Coselt of Council, and a Mrs Mahoney of Mackay.

# LOST WOMAN HAS RELATIVES AT HAZELTON

Mrs. Howard Clark, who recently disappeared from Council, Idaho, with her year old son, Bobby, is the daughter of Guy Raine of Hazelton and formerly lived in this section. She was Bessie Raine, and will be remembered by many people here. Her uncle and aunt, Mr. and Mrs. Dawson Raine, are also residents of Hazelton. She disappeared about ten days ago and so far no trace of her or her baby has been found, notwithstanding systematic search has been carried on. No reason is known by her relatives here for her disappearance, and they have no information beyond that gleaned from the newspapers. The theory of officers is that the woman drowned herself and baby. Latest information on the case is contained in the following, taken from the Boise Statesman:

"Council, Idaho—Further evidence has been found leading authorities of Adams county to believe Mrs. Howard Clark and her year-old son, Bobby, have gone to their deaths in the Little Salmon river, near Black Bear inn, in Round valley.

"Examination of effects in the cabin near the inn from which Mrs. Clark disappeared with her baby Saturday after leaving a note saying "life was not worth living," indicated, the authorities asserted, that the woman, who was 28 years old, had prepared carefully to end her life and that of the baby.

"Besides the tracks, believed to be those of Mrs. Clark, at the bank of the river and leading down into the very water's edge, near the Black Bear inn, it has been learned that when Mrs. Clark went away she took no wraps for the baby and wore only a house dress. A theory that she might have gone to her people for a visit has lost weight in a report from these relatives, who live in a district outlying Council, that they have seen or heard nothing from her.

"In the cabin it was apparent, authorities said, from ashes in the grate, that Mrs. Clark had burned letters, school diplomas and other papers, and the baby's basket had appeared as if the child had been lifted from it to be taken away about the time of his afternoon nap.

"The river has been dragged with boats brought from Payette lakes, almost to the falls, a mile below Black Bear inn, and blasting has been resorted to as well as the stretching of nets in the hope of catching the woman and baby's bodies. It is hoped that the bodies, if the two are drowned, may rise to the surface later, unless they have been swept over the falls, down to Big Salmon and on to the Snake river."

LOST WOMAN  
HAS RELATIVES  
AT HAZELTON

---

Mrs Howard Clark, who recently disappeared from Council, Idaho, with her year old son, Bobby, is the daughter of Guy Raine of Hazelton and formerly lived in this section. She was Bessie Raine, and will be remembered by many people here. Her Uncle and Aunt, Mr & Mrs Dawson Raine are also residents of Hazelton. She Disappeared about ten days ago and so far no trace of her or her baby has been found, notwithstanding systematic search has been carried on. No reason is known by her relatives here for her disappearance, and they have no information beyond that gleaned from the newspapers. The theory of officers is that the woman drowned herself and baby. Latest information on the case is contained in the following, taken from the Boise Statesman.

Info from mother abt 1975. Rick was adopted.

Rick was stationed at Rapid City AFB in 1975. Before that he was at Keesler AFB Mississippi where he joined in Aug 1973 and went to school for electronics. He didn't like it there too well but does like Rapid City. After Christmas in 1976 he was to go to the Azores. (seems like he was living in Austin, TX sometime while we were in TX)

**Husband**    **Edward Applegate**

**Wife**        **Ardie Lamar Raine**

**Notes**

HUSBAND    - Edward Applegate  
Info from family. Nothing known about him.

WIFE         - Ardie Lamar Raine  
BIRTH: Info from family members of the Raine family. Her name in the family Bible was written as Ardie Lamar Raine. Family in MO has it written as Artie Lanor Raine, so have used the bible reference.

MARRIAGE: Raine Bible gives date but not place. Prob. MO. (Clark Co.?)

Find A Grave internet site listed birth and death date and places, parents, 1 son, 1 sibling, pic of grave marker and entrance to cem. Wyaconda cem. (copy)

DEATH: Family said she died 1939 but was prob. 1940 in Bucklin, Linn Co. MO. However I wrote to Jefferson City, MO for death record and they said there was none on record. She was buried in the Wyaconda City cem. where her mother was buried. She was about age 31 and died of cancer. Cemetery stone has d. 1940.

Have pictures of her and her mother. Also two of her children.

The family in CA didn't know much about Ardie, since she always lived in MO.

Ardie was married and had 3 children, one dying in infancy. Bible record gives names and birth dates.

1920 Clark Co. MO Wyaconda Twp & city, Ardis L. age 11 listed with her mother Nettie B. Raine 49 (div.).

CHILD 1    - George Edward Applegate  
Raine Bible record gives birth date.

CHILD 2    - Norma Jean Applegate

YUBA, July 10, 46.—Two San Francisco socialites were hospitalized Tuesday with serious burns caused by brandy flames from a dish of Crepes Suzettes.

The injured were Mrs. Harriet Conyes, wife of Robert A. Conyes, owner of a large trucking firm, and Thomas E. Connolly, contractor and sportsman.

The Conyes and Connollys were dining at the Danville, Calif., hotel when the flames exploded a brandy bottle in the hands of Chef Paul Zeibig at an adjoining table.

Flames covered the Conyes table, setting fire to Mrs. Conyes' dress and Connolly's shirt front.

## Catherine Dyer Dies

Kenny criticized the state welfare and rehabilitation agencies for the manner in which they attempt to aid the newly blinded. His chief criticism was that only the blind can teach the blind. He said he knew of only two blind workers for the state, one in the welfare and one in the rehabilitation department.

The state provides \$60 a month for the blind, he said. If a man is earning \$10 a month, he receives only \$50 and so on. He expressed the opinion the state agencies are too hasty in approaching those who have lost their sight, particularly from the angle of employment. Few, he declared, are happy at the prospect of spending a lifetime making rooms or running a drill press.

### Opposes Dog Use

Kenny said he opposed the blind using "seeing-eye" dogs. He expressed the opinion there is nothing a dog can do for a blind person that the person cannot learn to do for himself, and he declared the blind should learn to depend on themselves only. He maintained depending on a "seeing-eye" dog has the psychological effect of causing the blind to depend too much on help from outside sources.

The first few days after a man has lost his sight are the most critical, he said. He explained that in that period, all thinking is approached from a negative angle, the loss of sight causing the victim to think that nothing is enjoyed except through the sense of sight.

Kenny explained he is developing a project on Death Valley trail, near Shoshone for use in rehabilitation of the blind. He said the project is 35 per cent completed and is to be used, at no expense to those coming there, to teach persons losing their sight how to take care of themselves and enjoy life.

### FILES FOR DIVORCE

On August 14, 1930, Albert Gillespie and wife Marian, both of Sutter county, separated after a year of married life. A little short of 16 years later, Gillespie filed a complaint for divorce, today against his wife. Gillespie charged extreme cruelty causing mental suffering. A plea for an interlocutory decree has been entered. There are no children.

### ON VACATION

to a year of resting  
Chester D. Bell, manager of the Marysville Tower theater, who has extended vacation because of ill health.

## Theater Manager To Have Long Vacation

Chester D. Bell, manager of the Marysville Tower theater since December, 1944, left Sunday on a leave of absence to last from six months to a year. He said he is taking the vacation because of ill health.

Bell recently bought a home on the Rogue river in Oregon and he and Mrs. Bell and their son and daughter will spend the leave there, improving the place and fishing.

C. H. Granoski has been transferred from Santa Cruz to take over management of the local theater. Granoski is married and has three children. Granoski said he is pleased with his transfer to Marysville. He indicated records reveal attendance at the theater has increased considerably since Bell has been here and said he hoped to do equally as well in pleasing the public.

Bell said his company probably would not return here to Marysville after his leave ends.

## Hold Bunce Rites

Funeral services for Leon M. Bunce, for many years city engineer of Yuba City and also county surveyor, were held at 2 p. m. Tuesday in the Ulrey memorial chapel with Rev. Carl Tamblyn officiating. Sacred selections were sung by Frank Freeman, accompanied by Marjorie Allison at the organ.

Pallbearers were Harold W. Moore, Howard Harter, Joe Nelson, Nelson Murdoch, Joe Hodges and Ernest Hauck. Interment followed in the family plot in the Sutter City cemetery.

The funeral was largely attended and flowers banked the casket.

RE: Dyer

I just recently came across some info that indicated the Sierra View Mortuary handled the cremations of my great uncle and his wife. I was wondering if you could check your records and if located any info could copy same for me.

William Walter Dyer died 6 May 1948 in Marysville.  
Catharine Dyer died 9 Jul 1946 in Marysville.

Obituary of both listed the Hutchison's Colonial Chapel for the services and the Sierra View Mortuary is where they were cremated and was wondering what became of their ashes?

I would like more info on the burial place if that exists.  
Enclosed is \$2 for copies and thank you very much for your help.

Sincerely,

*Gladys L Treadway*

## No New Trial

### Judge: Appeal process will

Sherri Trotter

MVM News Network

CARTHAGE, Ill.

— The appeal process is about to begin for convicted murderer Dan Ramsey.

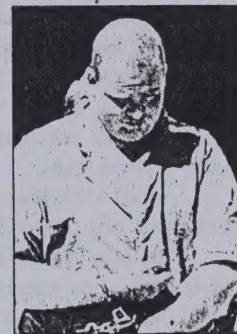

On Sept. 5, Judge Stephen Evans denied a motion asking that Ramsey receive a new trial.

Ramsey's Attorney, James Dennis, argued the 86 points in his 26-page motion, saying why Ramsey should receive a second trial. By themselves each point may seem inconsequential, Dennis said, but together they added up to an unfair trial.

"What is harmless in one situation, when combined with many other situations...is not harmless," Dennis said.

Dennis, of Keokuk, Iowa, defended Ramsey at his three-week trial in Galesburg last spring. An eight-woman, four-man jury sentenced Ramsey to die for killing Laura Marson, 16, of Basco, and Lonna Sloop, 12, of near Burnside. Ramsey, 19, of Keokuk, was also convicted with attempted murder against 17-year old Rachel Sloop, and toddlers Cody and Courtne Hamelton; rape; home invasion; and residential burglary. All crimes were committed in less than five hours, July 8 and 9, 1996.

Dennis broke down his argument into five categories: pre-trial, jury selection, trial objections, instructions, and miscellaneous. He said unfair objections were made and sustained during the testimonies of Barb Sloop; troopers Dan Leezer, Phillip Pohlman, Stu Erlendush, and Danny Law; doctors Philip

Bornstein and T Haist.

Dennis said the State attempted to that was not sup trial.

## State gambling regulator

DES MOINES, Iowa (AP) — State gambling regulators have decided to allow Polk County officials to offer evidence in the bid to strip the gambling license from Prairie Meadows Racetrack and Casino.

It took three hours of debate and a 3-2 vote, however, before the state's Racing and Gaming Commission could even decide if the county should have a role in the effort, underscoring the divisive battle between the state and its largest county.

Three days of hearings have

been scheduled next week on effort to lift the license, and likely that court battles will low that.

The dispute is a three-way fi among state gambling regulato Polk County officials and the R ing Association of Central Iowa non-profit group that actua holds the track's gambli license.

## BERTHA MAE WOODS

Bertha Mae Woods was born March 26, 1905 in Wyaconda, Mo. She was the daughter of Charles Edward Dyer and Anna Lee Dare Dyer. She died Sept. 7, 1997 at ~~her~~ residence in rural Niota, IL where she had been staying since Dec. 13, 1996. She was formerly from Ft. Madison, IA where she had lived since 1927.

On Oct. 15, 1925 at Kirksville, MO she married Volna I. Woods, who preceded her in death on August 23, 1988. She is of Protestant faith. Being a member of the First Baptist Church in Ft. Madison.

Surviving is her only daughter, Wanda Lee Burt of Irigton, OR, and her grand<sup>son</sup> ~~son~~ <sup>Larry Hawkins of GA.</sup> Also one sister Edith Suter of Peoria, IL. There are ~~four~~ <sup>several</sup> ~~grandchildren~~ <sup>and</sup> great grand children and several cousins, nieces and nephews.

Sometimes what can be plainly seen is what we fail to see. The simple goodness of ordinary people make no headlines. It's not news. And thank God for that. It would be a sad day for all of us if goodness were so rare as to be newsworthy. It is only things that are unusual that arouse our curiosity.

Remember the Lord said "I was hungry and you gave me food; thirsty and you gave me drink..." They couldn't remember having done that. Then the Lord said: "I tell you, in as much as you did this to one of the least of these, you did it to me."

Today we bury Bertha Woods, who has done those very things. But we hardly noticed. Her things were not newsworthy. There were the realities of her daily living. Who was it that clothed her family, fed them when they were hungry, nursed them when they were ill?

Bertha considered herself a mother and housewife and even after Wanda Lee married and moved, and Volna died, Bertha always cooked her own meals - she wasn't a fan of fast food or junk food. How else does someone live to be 92? Through exercise.

Even though Bertha lived by herself in Ft. Madison, she was not a stranger to anyone. She could be seen walking to town - in fact she walked everywhere, because her doctor told her she need to walk. Friends often stopped to give her a ride, but she seldom accepted. Bertha maintained her own home until she was injured and moved to Niota. She managed her own affairs, and we might say she did that very well, even paying bills the day ~~before~~ <sup>when</sup> she went to see Jesus.

It is the marvel of the Christian faith that those simple realities of daily living become the seed from which eternal life blooms. It is through our faith that life is changed, not taken away. Bertha believed in the resurrection of the dead and the life of the world to come. We thank God for Bertha's life which has reached its earthly fulfillment. We thank God for all that we have received from His hand and the hand of His servant, Bertha.

God now welcomes Bertha home - to rest from her labors, to see those she loves who were waiting for her to join them.

Praise be to God for his loving mercy and grace.

When I must leave  
for a little while,  
Please do not grieve  
and shed wild tears  
And hug your sorrow  
to you through the years,  
But start out bravely  
with a gallant smile;  
And for my sake  
and in my name  
Live on and do  
all things the same,  
Feed not your loneliness  
on empty days,  
But fill each waking hour  
in useful ways,  
Reach out your hand  
in comfort and in cheer  
And I in turn will comfort you  
and hold you near;  
And never, never  
be afraid to die,  
For I am waiting  
for you in the sky!

day brought between 5 inches and 6 inches of rain to most of the northwestern quarter of the state before the system moved out of the state late Monday.

The heaviest rains, in excess of 6 inches, fell in Sioux, O'Brien, Palo Alto and Pocahontas counties. Sioux Center logged 6.61 inches, while Laurens recored just over 6 inches of rain and Pocahontas received 5.50 inches between midnight and 7 a.m. Monday. Storm Lake, 30 miles west of Laurens, received 4.15 inches of rain.

"In that area, it pretty much ends the drought," acting state climatologist Harry Hillaker Jr. said. "In the rest of the state, where we were down nearly 17 inches for the year, it's a pretty good start."

The storms spawned intense rainshowers that reduced visibility to near zero as they passed through Iowa. Other rainfall amounts recorded by the National Weather Service included 3.39 inches at Ames, 3.19 at Sioux City, 2.87 at Fort Dodge, 2.82 at Spencer, 2.73 at Marshalltown, 2.33 at Iowa City, 2.26 at Lamoni and 2.17 at Des Moines.

Eastern Iowa cities generally received between 1½ and 2½ inches of rain, including Davenport and Dubuque, which each received 1.77 and Cedar Rapids, where 2.35 inches of rain fell Monday.

The rains caused minor street flooding, which snarled rush-hour traffic and limited attendance at the Iowa State Fair in Des Moines. The storms also dumped golfball-size hail in the Cherokee County town of Marcus and caused scattered power outages in rural areas of O'Brien County.

In addition to torrential rainfall and hail, the system packed

40-50 mph winds when it pushed through Pocahontas and Webster County before dawn. There were no reports of damage from the high winds.

"These rains that we've had are easily the most widespread rains we've had at any time since last August," Hillaker said.

The rest of the week is expected to be dry, with seasonal high temperatures in the 80s.

## Murder charge filed

CEDAR RAPIDS (UPI) — authorities Monday charged man with second-degree murder after he was released from prison he was treated for injuries from a fight with the victim.

Evan Paul, 21, is accused of shooting death of Don Cope Jr. outside a gas station. A fight erupted when Cope, a T-shirted friend from an Iowa town, taunted Paul about his Japanese cycle.

Court record allege Cope got into the fight, causing Paul to get into a cycle, grab a gun and put it in Cope's back, fired two shots at Cope after he got on the motorcycle, authorities said.

In addition to the second-degree charge, which carries a maximum prison sentence upon conviction, Paul is charged with carrying a concealed weapon and going armed with intent to kill.

## 'Zimmerman picnic

DES MOINES (UPI) — Zimmerman said Monday she had a picnic in common with Iowans, but not the name.

Zimmerman said she mailed 600 Zimmermans she could find, inviting them to attend an "a la carte picnic" in Des Moines this weekend. She found out there were at least 600 Zimmermans she didn't know about.

She said the potluck picnic, at the History Farms Saturday, was a similar event held annually in New York. In addition, invitees were asked to bring food, souvenirs and bits of family history.

Zimmerman said the party was a mix of man music and dance to the music of the Zimmermans' Bavarian heritage.

## UNI reaches limit

CEDAR FALLS (UPI) — Northern Iowa registrars began to reach the state's limit on would-be students Tuesday. Freshman entrants pushed the number of students to its 11,500-student limit.

Any freshman who had not been accepted by 5 p.m. Monday would not be allowed to attend classes. Even students who already had been accepted to the school, said UNI Registrar Susan Chilcott.

Normally, students may register for up to 10 days after a semester begins, she said.

Chilcott said at least 1,000 students registered for the fall semester, pushing total enrollment at UNI to the student limit set by the Board of Regents years ago.

Dear Gladys,

I received a call from Bertha Mae Woods care giver that she passed away on Sunday, September 7th. It was no surprise to me since Bertha wanted to die. Funeral services were on Sept. 11th at the graveside. I sent the care giver some money and asked her to plants some flowers on Bertha grave next spring. Margaret Whitson, the caregiver told me that her grandson Larry Hawkins was coming to the funeral. He lives in Hayward, Calif. Bertha's daughter was coming from Irrigon, Oregon. When I saw Bertha she told me that Lyle who was adopted out came to see her and his name is Lyle Prince. He is one of the twins and he lives with his wife and family in Claremore, Okla. He is a teacher and so is his wife. He wasn't coming to the funeral since Wanda would be there.

I enjoyed the book on John Cleveland Dyer. The only mistake I found was that my brother Glen A. Bane was in the Merchant Marines not the Marines. There is a big different.

I'm going to Florida with my husband Fred on Monday Sept. 22nd to see my in-laws in Kissimmee, Florida. I plan on stopping to see Aunt Nellie & Uncle Raymond Dyer in New Port Richey. Aunt Nellie told me that Raymond is a couch potato and its frustrating for her. I plan on spending one night with her and then returning to Kissimmee. My oldest daughter Diana and her boyfriend Scott are flying to Orlando from Dayton, Ohio and spend<sup>ing</sup> 4 days with us. my mother in law is 77 years old and my father in law just turned 80 years old in July.

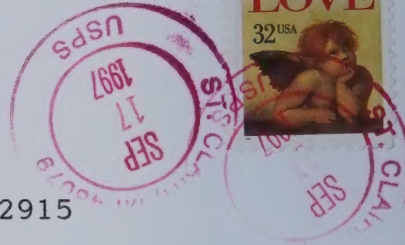

I'll send Bertha's obit. later.

Regards, Sandra

Dear Bertha,

It has been a long time since we have corresponded and I hope your address is the same and you get this letter. I didn't realize you wrote to Aunt Hazel or would have told you of her passing when it happened. When Sandra Knoell wrote me and asked for her obituary to send to you, I hadn't realized that you kept in touch with her. She had also told me of Martha's passing of which I didn't know so I have written to her two daughters as well. I had met Martha when they lived in Arizona many years ago.

Sandra had sent me Edith's address so wrote her as well. Also want to wish you a very happy 91st birthday a little late. Sandra said you walked all the time, which is good. Mom doesn't walk so much anymore but she still goes and plays cards 3-4 times a week or more sometimes and still is able to drive. Her arthritis is the only thing that causes her not to move as good as she had but she will be 82 in Sep. and in good health. This long life must come from the Dyer's! Aunt Hazel had not been well after George Urton died 17 Jan 1992 so Mom and I had gone down and put her in a nursing home for a while then she seemed to get better and really wanted to go home so we took her home and had help for her for a while but that didn't work but then her granddaughter Carmon came from NC and said she would stay and take care of her and she did almost up till the end. Which was quite a chore for her but gave her a place to live with her daughter until her death then they had to sell the house so she moved elsewhere. The last two years she had alzheimers and didn't know anyone, not even Carmon for the last year or so but she didn't give her any trouble and Carmon was able to take care of her at home until a couple days before she died they had taken her to the nursing home but she didn't get better so took her to the hospital where she died. Said of congestive heart failure. She had turned 90 in Jan and died in Apr.

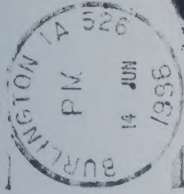

Write and let me know how you are getting along and what you do to keep busy and would like the address of your daughter as well.

Sincerely,

MRS. BERTHA M. WOODS

Received obituary from Sandra.

Thanks to all of you.

The last time I rec'd letter from Hazel George had passed away, she was still in her home but crying.

Hazel & George visited us here in HI madison once. The last time I saw Hazel we were at the Mississippi Grill near Quincy. We liked to eat there (cat fish). This was the year Paul died.

We exchanged Birthday cards for years. Last years came back marked DESEASED.

I have a snapshot of you and your Mom, Sandra sent it to me some time ago. She visited with me this year on their Wedding Anniversary Long distance. Plans to visit relatives in Missouri and else where next Memorial time. So if the Lord is willing may see her again.

Dear Cousin

Thank you very much for the 12 page print out of the descendants of Charles Hillory Dyer, so I could update and correct my records.

Enclosed is a recent picture of Bertha Mae, my Mother, and me taken at Bertha Maes home this summer. Also enclosed is a picture of my family. It is getting more difficult to get them all together for a picture. Stan lives in Sacramento, CA, Roger lives in Edmond OK, and Mike lives in Bangkok ,Thailand. We expect the group to grow by one in Jan 1997 as Mikes wife is pregnant.

Lets keep in touch

Best Regards

  
Vane

Dear Edith,

It has been a long time since we have corresponded but thought I had better touch base with you as well as wish you a very happy 90th birthday a little late.

Sandra Knoell of Michigan had sent me your address and I realized it had been some time since I had written. I know my information on your son and his family is way outdated and was wondering if you could send me info on his family or his address so I could update his children and their families. Sandra also told me of Martha's passing of which I was sorry to hear. I had met her some years ago while I visited in Arizona one time and had corresponded with her and her daughters since off and on.

I know Bertha Mae knew my Aunt Hazel and wrote to her all the time so she probably told you she had passed away also. We had to put her in a nursing home for a while then her granddaughter came from NC and stayed with her and took care of her until very close to the end which was a help. She had alzheimers the last few years and didn't know anyone but Carmon was able to take care of her okay.

My mother is doing fine, has some arthritis but still able to go all the time. She will be 82 in Sep. She was Rovene Melvina Dyer Lowe if you didn't remember, dau of Henry and Juda Anderson Dyer.

Will hope to hear from you.

Sincerely,

Gladys L Treadway

Dear Second Cousin

My Mother, Edith sent me your letter to her of 10 Jun 1996.

I am enclosing 2 pages of the Descendants of Charles Hillory Dyer that I have put in my computer Family Tree Maker program. Most of the information came from your 1979 book on the descendants of Charles and Mary Hurst Dyer, which was very well done and represents a very large amount of work on your part. Also, the current status of my family is included. If you find any errors, or would like more information, please let me know.

We just got back from our annual spring visit to Peoria IL to celebrate Mother's birthday, and this year to also attend my 50th year high school class reunion. Also, as usual we drove to Fort Madison IA to visit Aunt Bertha Mae. Both of them seem to be doing well in their 90's

Sandra Knoell sent to me, through my Mother (Edith Dyer), pictures of all 4 of the Grandparents of Edith's Mother (Anna Lee Dare), for which I am very grateful.

I really treasure your 1979 book. If you have found any more information on the older generations since then I would certainly appreciate an update.

Best Regards

Dear Vane,

I really want to thank you for sending the descendancy chart of Charles H. Dyer as I was able to get the updated info on your family. I probably have a little more but will enclose a descendancy chart so you have at least names and dates that you didn't. I have much proof and notes on many of these people but would be too lengthy without printing a book, which at this time isn't feasible either. May consider doing a book on each child and their family but to do the entire Dyer family as I have it from 8 notebooks just wouldn't work. I don't have anything more on the first generation of William and Nancy Hurst Dyer then before as haven't been able to locate anything to date. Haven't found anymore children other then the 3 we think are theirs. In a letter by a grandson of Williams written in 1890 said William had 12 children and no brother or sister (don't know if meant ever or just living) so have a ways to go to locate the others.

I have been in touch with Sandra Knoell for many years and she had sent me pictures of the Dare family as well and after I had sent her the Dyer book she got inspired and went to work on the Dare family and printed a booklet on them which was real nice.

I'm not pleased with the early Dyer book and would really like to do another updated one but as I said earlier, haven't figured out just how to do it as yet. I use PAF (Personal Ancestry File) as a genealogy program but sure don't like the way it prints a descendancy chart so had another program that works with PAF to print the chart I have enclosed but it wouldn't work on my printer so had to print it from my husbands computer but at least the info is there and I like the form, not as well as Family Tree Maker though. The problem is I started with PAF and really like it for entering info but some of the print outs are not as good as others like Brothers Keeper and others but then I don't like other parts of those programs so guess you can't have everything.

You may want to go into the famiy Henry S. Dyer and Juda Anderson and my mothers family Rovene and Willard Lowe as I noticed you had several misspelled words, places and names which is probably just wrong keys hit but should be corrected. Like Kirksville is in Adair Co. not Clark and Adair is spelled as such. Gerald Larry not Gerald Lee and the spelling of my daughter Sheri is

spelled Sherylnn (know it is different but this is correct) and you need to change the birth and death year of Marion Dale Lowe from 1952 to 1950 (which I had wrong).

Isn't it neat the way these programs will print all this info so you can see it at a glance?

If you happen to have any pictures of your mother and you and your family, would really like to have one from my book. I have some of your mother when she was a very young girl but none later so would be nice to have an updated one. Maybe you had pictures taken of Edith and Bertha together which would be real nice. I had written to both of them this year to wish them a happy birthday on their 90 & 91st birthday.

I would really appreciate you keeping in touch and keep me updated on your family.

Sincerely,

# Family Group Record

CHILD 1 Vivian Arlene RINKER-484NOTES:

Info from mother Jan 1975 and then received info from Vivian Mar 1975. At that time they were living at 2 Crestfield Road, Greenville S.C. They had 4 children.

Update from Sandra Knoell, May 1996, Vivian and Paul living at 4 Grey Leaf Court, Simpsonville, SC 29680 Phone #864 963-4479.

Update Jul 1996 from Vivian and said their address was 4 Grey Leaf Ct, Simpsonville, SC 29680. They had a smaller home built and moved after Paul got sick and stairs were a problem so decided to move to a one story floor plan.

She said they had a 5th wheel which they had done a lot of camping for many years but now wasn't possible so sold it. But they seem to keep busy around the house. She updated me on their children as well.

CHILD 2 Donna Joanne RINKER-485NOTES:

Info from Mother Jan 1975 then received info from Donna, Jul 1975. Their last address 1986 was 4400 70th ST. Urbandale, IA 50322. Their new address as of June 1, 1996 will be: 8717 Sweetbriar Lane, Urbandale, IA 50322.

Donna was pre school teacher and they belonged to the Reformed Church. She has kept me pretty much up to date on her family.

As of 1975 Donna and Dennis had been married 22 years and have lived 3 years in Salina Kansas where Dennis was stationed with the Air Force. 2 years in Wichita, Kansas, 1 year in Waterloo, IA and 2 years in Cedar Falls, IA. 4 years in Lincoln, Nebraska and the last 10 years in Urbandale, just outside Des Moines IA.

Update 1986.

Last update May 1996 from Sandra Knoell, sent me their address and was same as in 1986. Urbandale, IA. However after writing to Donna, they had just moved into a townhouse in Urbandale and did have a new address.

1996- Donna works as secretary at a retirement facility for the elderly but both maybe plan to retire at the end of the year. They have a motor home and maybe will like to go where it is warmer in the winters. She updated me on their children as well.

Dear Gladys:

It was nice hearing from you again and thank you for the condolences on Mothers death. Its hard to believe that she has been gone almost a year now. We were very close, and I've flown to see her twice a year, for years, besides writing her each week and calling her. She was a wonderful person, and I hope I have inherited some of her traits.

I see that you know of our new address...same vicinity, only about ten miles from our other house. Paul became ill and was hospitalized last year; and upon recovery, we realized the stairs in our home, was hard on him, so we decided we needed a one level home. So we have built a brand new home, with a snaller lot and no stairs, and we like it very much.

We have had some changes in the family, so will try to bring you up to date.

Bob (b. 3/13/52) and wife, Gale live in Columbia, S. Carolina. Their son, Robbie has just graduated from High School and has plans for college. Their daughter, Beth will be entering her Junior Year of High School.

Patricia (b. 6/3/56) married James Michael Fry in 1974, but the marriage ended in 1992. They have a daughter, Karen Mikaela, born 11/29/84. Karen lives with Pat, but has a very healthy relationship with her father, and they all live in Greenville, S.C.

Bill (b. 7/21/59) married Georgia Harper in August 1987, but this marriage ended in 1989. They have a daughter, Morgan Nichole, born 6/9/88. Morgan lives with Bill, but visits her mother regularly. Bill has remarried, marrying Kelly Green

on April 20, 1996. They live in Mauldin, S.C., which is a suburb of Greenville, S.C.

Don (b. 9/19/60) married Sandra Smith on July 15, 1989. They live in Fountain Inn, S.C., which is also a suburb of Greenville, S.C.

You asked what Paul and I were doing. We used to go camping quite a bit, and owned a fifth-wheel camper; but since Paul's illness, we cannot do this anymore and have sold the camper. We are enjoying our new home though and seems like we keep real busy, right here.

I think this family information, will get you up to date, on the Compton family.

Sincerely,

*Steven Compton*

Dear Gladys,

I wrote to Vivian Compton and extended my sympathy to her on the death of her mother.

Martha and Frank Rinker had visited my grandmother Irene once here in Michigan. Vivian wrote that her mother talked about grandmother Irene when growing up in Missouri.

Bertha Mae and her sister wrote each other all the time. I sent Edith Suter a birthday card wishing her a Happy 90th Birthday. I called Bertha Mae for Vivian address and Bertha walks everyday since she doesn't drive.

Sincerely,

*Sandra*

## Notes

### HUSBAND - Dennis Orville Lillard

Info from Donna Jul 1975. Dennis was a Control Tower operator/Air traffic Controller for the Federal Aviation Agency for 31 years. He retired 28 Jan 1983 and they took a months vacation.

He was in the Air Force for 6 years.

1996 update--After retirement in 1983 decided to go into another job as a representative at Atlas Van Lines and gives people moving estimates and enjoys that as a change.

### WIFE - Donna Joanne Rinker

Info from Mother Jan 1975 then received info from Donna, Jul 1975. Their last address 1986 was 4400 70th ST. Urbandale, IA 50322. There new address as of June 1, 1996 will be: 8717 Sweetbriar Lane, Urbandale, IA 50322.

Donna was pre school teacher and they belonged to the Reformed Church. She has kept me pretty much up to date on her family.

As of 1975 Donna and Dennis had been married 22 years and have lived 3 years in Salina Kansas where Dennis was stationed with the Air Force. 2 years in Wichita, Kansas, 1 year in Waterloo, IA and 2 years in Cedar Falls, IA. 4 years in Lincoln, Nebraska and the last 10 years in Urbandale, just outside Des Moines IA.

Update 1986.

Last update May 1996 from Sandra Knoell, sent me their address and was same as in 1986. Urbandale, IA. However after writing to Donna, they had just moved into a townhouse in Urbandale and did have a new address.

1996- Donna works as secretary at a retirement facility for the elderly but both maybe plan to retire at the end of the year. They have a motor home and maybe will like to go where it is warmer in the winters. She updated me on their children as well.

June 27, 1996.

Dear Gladys,

Yes, it has been some time since we've corresponded. I've thought of you many times and knew I needed to update our information.

Mom died nearly a year ago. Doesn't seem possible. I think of her all the time. We write regularly every week and I catch myself thinking I need to tell her about certain events.

You asked about our kids. David, Mona + family live close by in Altoona. David is in charge of the Police Academy. Mona is a vice pres. of a bank. Their daughter Amy finished her first year at the University of Iowa. She plans to teach English in

high schools. The twins are active in sports all year round. Regular boys!

Teresa & Craig live about 30 miles west in Dallas Center. Craig is in marketing for Central Data Corp. Teresa is a house-mam, and hasn't worked away from home for several years. She's quite a decorator & gardener. Jason will be 20 in August. (That really seems impossible!) He works for a manufacturing company here in Urbandale and he plays a lot of soft ball. Andrea will be 17 in August. She is a life guard at a pool and also gives swimming lessons. During the school year, she is active in many activities and is a varsity cheer leader.

Steve & Laura live in

Nevada, Ia 50201

Steve has his own business  
in financial planning for  
banks. Laurie is his  
assistant and keeps the  
office going when he's  
traveling. They are both  
extremely active in their  
church. He's the treasurer  
& she's the choir director.  
She also gives piano lessons.  
Their daughter Justene  
is active in clubs & sports.  
She was ten last December.

Mike & Lori's marriage  
didn't last. They've both  
re married and are happy.  
Mike married Tracie Joens  
May 18, 1991. Mike is in space  
management for Iowa's  
largest food brokerage  
firm. He marks out shelf  
space on a computer for  
grocery stores. Tracie is

an interior designer for a company that sells kitchen cabinets, flooring, bath supplies etc. She helps contractors arrange house plans for their clients.

The best news of all is that they have a darling little son. Ryan O'Conner was born on labor day 9-4-95. He was long awaited and they are so thrilled.

Dennis & I just moved June 1st. to a townhouse here in Urbandale - notice address change. We decided we didn't need a 4 bedroom home & huge corner lot anymore. We're both still working but might retire at the end of the year. We have a motor home and would like to spend

winters some place  
thats warm. After  
Dennis retired from  
being an Air traffic  
Controller for 31 years,  
he went into sales.  
He is a representative  
of Atlas Van Lines and  
gives people moving  
estimates. He enjoys it  
very much. I'm still  
a secretary at a retirement  
facility for the elderly. I  
like the work and the  
residents are wonderful.

Since you've written  
Union, I'll let her fill  
you in with her family.

Thank you for your  
interest and all your hard  
work.

Sincerely  
Denna

Dear Donna,

It has been quite some time since we have corresponded, looks like back in 1986. That may have been my fault as we had moved back to Iowa in 1989 and know I haven't written to everyone that I had corresponded with earlier to let them know. You had been so helpful in keeping me up to date some on your family and that is why I guess I didn't know of the passing of your mother and want to send sincere condolences to you and your sister and family.

Sandra Knoell of Michigan had written to Bertha Mae Wood of Ft Madison and she sent me your address and told me of your mother. I had your address but thought I had better write when I saw it had been so long.

I'm sure there have been new additions to your family since 1986 so if you wouldn't mind updating the info on your family I would really appreciate it. Would like to know where your children are living also. You may even have grandchildren married by now.

Have you been doing anything interesting the last few years. I believe you had said your husband had retired so maybe you had done some traveling?

Will write to your sister Vivian as am way out of touch with her and her family as well.

Hoping to hear from you.

Sincerely,

Obituary from Free Press, Kahoka, Clark Co. MO 5 Jan 1937 "Orville Dyer Kills Himself Near Wyaconda---Age 26, Orville Dyer killed himself at his home 2 1/2 miles south of here by shooting himself over his right ear with a 22 calibre rifle while lying in bed. He was found unconscious in bed by his father, Ed Dyer. Mrs Dyer was home but heard nothing. She had asked her husband to call him as he hadn't come down for some time. And then he found him. The could give no reason except he had been despondent all day Sunday. He was born Jul 29, 1911. The deceased was a congenial and worthy young man and the tragedy cast a gloom over the entire community."

Apr 2009 Sandra Knoell sent me a picture of Charles Orville Dyer when a young boy sitting at a desk in a school room. He had very curlie hair and nice looking little boy, not sure what his age would have been.

## Notes

HUSBAND - James Harvey "Harve" Dyer  
BIRTH: Cemetery stone, obit and family info.

MARRIAGE: Have copy of mg licence from Purcell, McClain, OK He was 36 and she was 26 years of age. Were married by T.B. Holcomb, pastor of First Baptist Church in Purcell. Mrs A.C. Wallace and Mrs Charley Wallace listed as witnesses.

Find A Grave internet site listed birth and death dates of James "Harvey" and burial Purcell, McClain Co. OK, Hillside Cem., pic of their grave marker and entrance to cem. (copy)

DEATH:: A typed copy of the obit from the Purcell Register dated 23 Mar 1961 was sent to me by the Library of Purcell. "Dyer Services Held Last Week -- Stroke Is Fattel To Pioneer Resident-- Funeral Services for James Harvey Dyer, 84, a resident of Purcell since 1907, were held on Wednesday of last week in the First Baptist church, with Rev. Wayne Pearson officiating, assisted by Rev. Kenneth Robinson. -- Dyer died March 13 in the McCurdy Memorial hosptial following a five-weeks illness. He had been critically ill after suffering a stroke. -- J.H. had served as deacon of the First Baptist church for many years, was a former member of the Purcell school board, the Purcell Rotary Club and was associated with the old Chickasaw National Bank for a number of years. He had been retired for a number of years.-- A male quartet of Tommy Gutt, W.C. Smith, L.M. Lacy and Frank Berry sang two of his favorite hymns. Interment was in Hillside cemetery under the direction of the Conner Funeral Home. -- Survivors include his wife, Sadie K., of the home; a niece reared in their home, Mrs Arline Forehand, Amarillo, Texas; two brothers, Henry of Kahoka, MO, Cleveland Dyer of Detroit; and a number of nephews and neices."

Harve as he was called by his family members was born on a farm near Fairmount MO and then went to the Gem City Business College in Quincy, IL abt 1900. He worked at bank in Kansas City, MO before moving to Purcell, OK in 1907.

Arline said he worked at the Chickasaw National Bank, first as a teller then later as Cashier and then became Director of the bank.

He and his wife never had any children but they did raise his wifes niece, whom I met at the old home place in Purcell, OK on a visit there in Oct 1978.

They bought the home at 429 W. Washington in 1914 and lived there until their deaths. He in 1961 and she in 1978. Unfortunately I had just located them just after she died in June. I visited with Arline Forehand, the niece they raised. She was living in their home at that time. She told me the house was built in 1912 by Charles Gibbs, who also built the court house in Purcell. The first home in Purcell to have plastered ceilings. The oldest tree in their front yard was pictured in Life magazine (year ?) It was the largest Elm tree--90 feet across, east and west. I have a picture of it taken Oct 1978. Also picture of their house.

Have a picture of their wedding and Arline said Sadie made her wedding dress. Also a picture of Sadie before she died. Didn't take picture of Arline at the time I visited her.

In 1961 Arline was living in Amarillo, TX. She was a daughter of sister to Sadie and after her mothers death she went to live with Sadie and Harve. 1978 obit of Sadie, she was living in Oklahoma City, OK.

I had written to Sadie in 1975 and she told me nothing. I got Harve's obit and found out something about his life from that. Then planned to go there in the fall of 1978 to visit Sadie and take pictures of cemetery stone. As it turned out she died just before that so when we got there we met Arline and she told me about them.

3 Feb 1954 Henry and Juda celebrated their 50th wedding anniversery in Kirksville, MO. They were living at S. Marion St. in Kirksville at that time. The house is now gone and is part of the College. The article from the paper stated they were married at the home of the Methodist minister, Matt Sexsmith at Kahoka, MO. They also recalled that on their wedding day it was cold and the snow was quite deep. They went in a sleigh to be married and after the ceremony they partook of a lunch that had been prepared for them. I have their wedding picture and also the one in the paper 50 yrs later. A family dinner was celebrated with all the Dyer children present and 2 of their 3 grand children were present.

6 Nov 1956 General Election held in Kirksville. Henry S. Dyer was running as Democrat candidate for Judge of the County Court in the First District. However he lost.

5 Feb 1957 His wife Juda Anderson Dyer died at the age of 78 in the hospital in Kirksville, MO. They were living at 1110 S. Marion St. at the time. Then Henry lived with his daughter Edna in Kirksville until 1960 when he got to much for her to take care of so they put him in the Walker nursing home in Kahoka, MO where he stayed until his death

Henry was Baptist and Juda was Methodist. They both attended church in Kirksville, MO but went to separate churches.

Henry and Juda first lived on a farm rented from his father near Wyaconda, Mo before they moved to Kirksville, MO. Their first farm was on what is now hiway 61 which later became a golf course then Hollister factory there. Before they could get to town to get insurance they had a fire and the house burned, lost all they had. They built two rooms and lived in them until the big house was rebuilt. After the main house was built they used the two rooms for a smoke house and storage for the washing machine and separater. Have a picture of the house after it was built.

Henry farmed several years then moved to town, first on Cottage Grove where they also farmed then lived on Franklin St then last was 1110 S. Marion St. While in town Henry did several odd jobs. Hauled coal in winter in summer mowed yards. Took care of church grounds as well.

They never owned a car and used horse and buggy to get around in eary years and when moved into town used taxi service, bus or walked quite a lot.

She was also a member of the Methodist church in Kirksville for many years.

Juda (sometimes Henry called her Judy) was born in Clark Co. near Wyaconda MO where she grew to maturity. She never had a middle name according to her children. One picture located said Juda Maria on the back, but supposedly she never had a middle name. She was 2 years of age when her father died and so she never knew him. Her mother raised the children by running the farm she (Juda) was born on with the help of her older children. Her mother was blind in later years. (Gladys- granddaughter in 1989- I have just found out I have glaucoma (high pressure in eyes - beginning of it) so sure wonder if that was the cause of Juda's mother's blindness. -- Juda could make the best Angel Food cake. She always made one for my birthday when ever we were there at that time. She made my first cake and also gave me my first doll. Since we lived in IL and IA we only got to visit them once a year, maybe twice if were lucky. When my brother and I were older we got to stay with them in the summer once in a while.

They farmed for a living for many years then in later years they moved into town. She worked as housekeeper for people in her later years.

She was Methodist and Henry was Baptist, they both went to church but to different churches.

**OBITUARY:** Copy from The Quincy Herald-Whig newspaper, Quincy, IL 7 Apr 1995 pg 9A. Rovene was born near Kahoka, Mo on a farm rented by her father from his father. She lived there until 1919 at age 4 when her family moved to a farm just outside Kirksville, Adair Co. MO. The farm later became a golf course and now is Hollister Factory on hiway 61. Before they could get to town to get insurance they had a fire and the house and all its contents were destroyed. They built two rooms first and live in them until the main house could be rebuilt then they used the two rooms for wash house and separator room. They lived there for many years.

Rovene graduated from Kirksville High School in 1933. Have a picture of her in her cap and gown. They were still living on the farm at that time. She was the only one of her siblings to go to High School and that was probably because her sister Hazel came back from MT and payed her way.

They made their first home with his parents while Willard helped on the farm and also tried to find other work. with Mr Art Meints on his farm. By Mar 1947 they moved to Bettendorf, IA to what was then called Iowana Farms, now the town of Riverdale, across from the Alcoa Plant. He rented land there and also worked at the Iowana Farms Dairy in Bettendorf. Their third child, Marion Dale was born 1952 while living there. They moved from there when the land was sold 1954 and moved to Devils Glen Road in Bettendorf, where he rented a farm and was living there when he was killed in Aug 1971.

Rovene bought a house in Bettendorf at 2509 Glenn St. and lived there until she remarried and moved to the farm that Harold owned outside Pleasant Valley, IA. Charles moved onto the farm and rented it from then until he retired from fire dept. and moved to Rock Island around 1993 maybe. They moved back to the house on Glenn ST when Harold's son married and lived there until 1989 when they bought the house on Summitt Hills Dr.

Rovene worked outside the home also in several of the bigger Department stores in Davenport and Bettendorf in later years. She worked at Bishops Cafeteria after the death of Willard for a few years.

She and Willard traveled quite a lot during the years. Taking the children and going on vacation about every summer somewhere. They both liked to fish and went north fishing a lot as well as West to the mountains. Usually camped in the early years. They went to Murnau, Germany to visit their daughter in 1966 and they did enjoy that. They also traveled thur Germany, Austria, to Venice Italy and back to Germany. Seeing Castles and the different life style was quite interesting. That two weeks went by all too fast. They went to the east coast while they lived there and visited Washington DC and Philidelphia, PA. After Willard's death Rovene went on a trip to Hawaii which she enjoyed also. Rovene went to New York on bus trip with some lady friends in June 1995 and really enjoyed that trip. Harold doesn't think he is able to travel much since 1989 and they haven't gone many places since.

Rovene also like to sew and make crafts, crocket and read. She also liked to dance and they liked to play cards. They are't able to dance too well because of health problems but she and Harold like to play cards. They have several card clubs they belong to and she plays cards three to four times a week. She has always been interested in belonging to clubs and helping when she can. Started with PTA and then to 4-H and was leader of 4-H for several years. She also belongs to Farm Bureau and had been in Eastern Star when Willard was a 32nd Degree Mason. She has held offices in most clubs she has been in and now is president of the Leidertafel Ladies card club for two years. Fortunately her health has been good except for some arthritis problems. Mar 1996 however the Dr. found she had too high pressure in her eyes, prob. glaucoma but no damage done so far. Her cholestrol also has been high for some years. She also has cataract's developing but not serious yet.

Harold goes to his farm everyday and helps out there so she goes to card clubs. That way they both do what they like and as long as they are able to go they should. Which is the way they look at it and they might just as well enjoy life if they can.

Sep 1995 we had her 80th birthday and had family dinner at Jumers. Had article w/picture in paper as well.

Her health started to go down by this time and in by Jul 1998 she finally went to the Dr about the dizzyness she was having and not being able to balance as well but only thing they could find was a small tumor on the pitutary gland at the base of the brain that maybe the cause but they aren't sure.

She had one cataract removed Oct 1997 and in 1999 she had surgery on her neck arteries as mostly blocked then Oct 1999 she had leg surgery to remove plaque from arteries hopefully to help her walk better but didn't really help. She has hardening of the arteries and nothing can be done about that.

In 1997 she went to Branson, MO with some ladies.

1998 went on bus trip to Mississippi with a friend.

Jul 1999 she went to Branson with her daughter for 5 days and that is last time she has been able to go on any trips as just not up to walking.

2005 Sept had family dinner at The Lodge, formerly Jumers on the 18th of Sept because they had plans to go to McCausland on her birthday, the 4th, as they do every year. So was better for Sheri to come from FL later in the month as well. Will be 24-30 there this time. Will have article w/picture in the paper also. All went pretty well.

2006 Mom said her mother always said she was English and Irish. Don't know where Anderson came from but has been stated Scotland. Richey we don't know but prob. English and Fitzgerald was probably Ireland. So that statement could be true.

2008 Easter, March 22 Harold went in the hosptial to have stomach surgery (23 Mar) as didn't know what was going on so did exploritory and found a little green stick that had perforated the intestine so hope all was going to be okay

CHILD 5 - Rovene Melvina Dyer (Continued)

but 1 Apr they had to do another surgery and he just continued to go down hill from there. Stayed in Trinity for while then moved him to other hospital for therapy but didn't get better so moved him to a nursing home in Moline for more therapy which was in June and then didn't get better so they said he had to go to Hospice at Trinity, back in Bettendorf, he was moved there the 2nd of Jul in the evening and died the next morning by 6am on the 3rd of July.

My brother and I saw that Harold wasn't going to get better so we stayed with Mom for a month, him one night and me one night and my nephew stayed for few days then we knew we couldn't keep that up so I said it was time to find someplace to go even it temporary and we looked at some Assisted living places and ended up she liked Jersey Ridge Place the best and they had an opening the first of May 2008 so we moved her there and then just waited to see what would happen. Harolds family was sure Harold was going to get better and Mom was as well, my brother and I knew that wasn't to happen so we were prepared and knew we would have to clean out the house and get rid of all furniture that she couldn't take to the Assisted Living apartment, which she was able to take quite a lot as had nice size kit, living, bedroom, bath. But not wanting to give up everything we had a time getting rid of things and put the house on the market by Sept and didn't sell so changed realtors then Feb the new realtor sold it withing a month, had to take a loss because housing had gone down so much the last few years and the house had not been kept up and needed lots of work to update it but we figured it was time to move on.

2009 May the center celebrated her being there one year. She still goes and plays cards 3-4 times a month and has someone pick her up and she does things with the center so is busy every day doing something if she wants to. My brother and I take her shopping and bank and get things done that still have to be done. Gets around very good with the walker but just can't walk very long now.

Has had 3 bad falls this past year but has not broke any bones, just bad cuts that have to be sewed up but she comes back and heals and trying to figure out what is going on. Thought might be blood pressure but eye sight can also be the cause as she is down to just seeing straight in front of her as has lost all periferial vision and may think something is where it isn't. They watch her real close at the center.

Mom fell out of bed on 1 Feb 2008 and thought was okay but later began to have pain so took her to th hospital for week then back to center but she didn't get much better so by 27 Mar the nurses thought best to send her to the hospital again as wasn't eating or drinking or taking any meds. so Charlie and I got there shortly before she did and they sent her up to hospice in Trinity Hospital and they kept her comfortable and called all the kids and told them to come in that day if they wanted to see her as she wasn't going to make it till tomorrow and they all did come. By 1:30 the 28th she passed away. Was taken to McGinnis Funeral Home and Charlie and I had to go to finish up the paper work and the girls went to her apartment and started cleaning it out. Sheri took most of her furniture except the dining room table and 3 chairs which I took and then gave all her clothes to Good Will and other stuff. Harland came and got the two lift chairs they got for them. Sheri was to have taken the Angel set and some Xmas things as Gayle took few things. I took one of her angels as has bought most of them every year for her. She ha a lot of Isabel Blooms and and ones that were left took to the funeral home for anyone to take one if they wanted and so got rid of the rest of them. Charlie and I then went to the apartment and help pack up stuff then we had to go to all the banks and take care of her estate. She had left the grandkids money and rest was divided between Charlie and I, which was more then we had thought. I gave my kids some more money and Charlie wanted me to buy a new car so got a 2011 Chevy Malibu, white, and had just bought a condo in May and took till Aug to sell our house. Then Charlie and I went to finance adviser to know what to do with the rest of the money.

CHILD 2 - Roxie Ree Catlett

BIRTH: Info from Hazel, Romaine's daughter and obit.

MARRIAGE: Marriage recorded Kahoka, Mo. Found copy, didn't copy it.

DEATH: Info from obit and family. Copy of obit from Kahoka newspaper. She died of a gunshot wound to the head, inflicted by her own hand. She left notes to her husband and to her mother. No explanation was given as to why. She was only 29 years of age. Her brother also took his own life in 1952 at the age of 45 years.

Roxie Ree had graduated from Wyaconda High School and served as deputy county clerk in Kahoka for some time before accepting the postal position. She was working at the Post office at time of her death. She went home for dinner as usual and went to her room to rest before going back and her mother found her later covered with a comfort in her bed. She had a 45 calibre army pistol in her hand, which apparently came for the post office.

She had attended Chillicothe Business college after High School.

She had married in 1937 and at the time of her death her husband was living in Peoria, IL working and she was living at home, only spending weekends together.

She was a very pretty girl and seemed to get along with people and had a good job. But nothing was said by the family as to maybe what had caused her to take her life. Gutting Funeral Parlors held the service at Kahoka Baptist church Saturday morning. Burial was in Kahoka city cemetery.

The copy of the obituary is deteriorating very fast so will transcribe the obit here for preservation.

"Young Kahoka Woman Left Notes To Kin -- Suicide Is Apparent In Shooting -- (Gate City Tri-State News) Kahoka, MO, Oct 6 (1939) Because she obviously wrote two notes-- one to her husband and the other to her mother -- only a few minutes before she died of a gunshot wound in her head yesterday afternoon, no inquest was deemed necessary today into the violent death of Mrs Raymond Clark, 29 year old popular Kahoka post office clerk.

Her body, closely covered by a comfort, was found in bed by her mother, Mrs Byrd Catlett, at the Catlett home here. In the dead woman's hand was clutched a .45 calibre army pistol which she allegedly brought home secretly from the local postoffice.

Contents Not Divulged -- Although it was believed that the two notes contained explanations for her apparent violent action, contents were not divulged by the family.

Formerly Miss Roxie Lee Catlett, she married Raymond Clark on January 30, 1937. He is now employed at Peoria, Ill and his wife has been making her home with her mother here.

Mrs Catlett said that her daughter had come home from the postoffice, where she has been employed as a clerk for the past four years, and had eatne her noon meal as usual yesterday. After eaating her lunch, the young woman

CHILD 2 - Roxie Ree Catlett (Continued)  
went to her bedroom "to rest," her mother said.

No Response to Call -- About 2 o'clock, Mrs Catlett called to her but received no response. Going to the bedroom to investigate, she found her daughter's body wrapped in the bed cover, the pistol clasped in the hand. The bullet had entered the rear part of the head on the right side and emerged through the forehead over the left eye.

It was believed that the bed clotting had muffled the report of the shot sufficiently that Mrs Catlett failed to hear it.

Because of the circumstances surrounding the death, the fact that the gun used was one belonging to the postoffice and because of the notes, officials believed the suicide verdict was apparent and planned no inquest.

Graduated at Wyaconda-- Mrs Clark, who was born in the southwest part of Clark county on Nov 12, 1910 (actually 1909) was graduated from the Wyaconda high school and served as deputy county clerk here for some time before accepting the postal position.

The young woman enjoyed an unusual popularity among patrons of both the courthouse and the postoffice, and news of her sudden death was received as a shock throughout Clark county.

Surviving are her husband, her mother and one brother, I.W. Catlett of Acklie, Iowa. Her father Byrd Catlett, died on May 13, of this year.

The body was removed to the Gutting Funeral Parlors and funeral services will be held from the Kahoka Baptist church Saturday morning at 11 o'clock."

(few mistakes in obit- first her middle name was Ree, not Lee and she was born 1909 not 1910 and her brothers name was Romaine W. not I.W.)

MARRIAGE1: Difference of dates on mg. Obit says 17 Jan and family said 6 Jan. Was divorced 1936 from Irene. The date of 17 Jan was located in the divorce papers but that is not correct.

Sandra Knoell located a copy of the marriage record from Denver, CO, Colorado State Archives, 1313 Sherman St - 1B20, Denver CO 80203 of which she sent me a copy 18 June 2009. The date on the marriage licence was 17 Jan 1906 md by Leo B. Vosburgh. Cleveland Dyer to Irene Dare

Marriage Record Report Document # 37472

She needed this record to get into DAR under the Charles Dyer line and finally located it.

DIVORCE: Sandra Knoell sent me copy of divorce record Docket # 258216 filed in the County of Wayne, MI. Date of filing 7/29/36 and Date of decree 11/9/36. There were 3 minor children. Signed by Clerk of Circuit court, Henry A. Montgomery 21 Dec 1936.

CHILDREN: He and Irene had 7 children, 6 living to maturity.

He was born and grew up on a farm but didn't take to farming too well and farmed only a few years of his married life. He left Missouri shortly after he was married as he wanted to find a farm of his own. He had been renting land from his father as he owned quite a lot of land around Wyaconda.

They went to San Diego, CA where he worked as a street car conductor for a while. They went first to Wyaconda about 1910 where their son Raymond was born. Then he moved to Dexter, MO where the rest of his children were born. They farmed until May 1927 and then they moved to Detroit, MI.

Cleveland worked in a factory for a while then he bought a truck and sold coal in the winter and ice in the summer.

1937 he was divorced and moved to St Clair Shores, MI where he lived until his death. That was during the 2nd World War, so his children didn't see much of him at that time.

His wife moved to Warren, MI in 1936 where her son Raymond was living and in 1937 her daughter, Mable and husband moved there to be near her. From 1936 until many years later his children hadn't seen Cleveland.

During that time he divorced and remarried to a lady on his ice route. He later divorced her. She is buried by him in Forest Lawn cemetery.

His children did get in touch with him a few years before he died.

Have corresponded with all of Cleveland's children. Met Ida Kless in Florida while there on vacation and also her brother Raymond as he was living there as well, in May 1983.

**CENSUS RECORDS:**

## Notes

HUSBAND - John "Cleveland" Dyer (Continued)

1910 need to check Wyaconda, Clark Co. MO census for Cleveland and family.

1920 Soundex Index of MI checked and found him not listed, although he lived there many years. Need to check the actual census and would probably locate him.

Had written some years ago when was doing research on this family to Denver, CO to ask about a marriage record and they said was none located. Not sure if asked for complete name or not but would have assumed would have. Also my mother and I were in Denver, CO in later years where I researched the marriage records for Denver, CO for any Dyers as was looking for others as well and never come across any. So was very glad when Sandra Knoells located the marriage record of her grandfather from Denver Co. June 2009.

WIFE - Helena "Irene" Dare

Info from children and grandchildren. Sandra Knoell did family history on the Dare family. Have picture of Irene when younger and one with her 2nd husband later in life.

Cleveland and Irene were married in Denver, Co and divorced 1937. Irene moved to Warren Michigan in 1936 with her son Raymond and in 1937 her daughter, Mable moved there to be near her. From 1936 for many years the children didn't see their father until much later.

Irene married a second time and he died 1973. At time of her death she was living at Center Line MI. She died of cancer.

Sandra sent Christmas gathering 1956 of Mabel Ekstrom, Nellie Dyere, Irene Dyer and Ida Kless , Warren Michigan. (Feb 2011) Pic under parents.

CHILD 1 - Mabel June Dyer

Mabel had sent me a lot of information on their family when I first started then later Sandra started sending me info on the family and others in MI.

Have picture's of Mable and husband Einar.

Sandra said Mabel died from complication caused from a stoke and fluid in the lungs and also had colon cancer.

Sandra told me her mother was only married once but on 6 Jul 1924 at age 17 she had a son Glendon A. Dyer Bane. His father was said to be Harley C. Arnold according to an Aunt. Sandra was not aware she had a half brother until 1980 and so started checking and found he lived in Vancouver, WA and Sandra had went to visit him in fall of 1996. Talks to him on the phone reguarly.

Glen was adopted at age 3 by his mothers aunt & uncle, Callie Harriet (Dare) and Henry Howard Bane. They lived in Clark Co. MO and then moved to Dexter, Stoddard Co. and lived in small town of Bernie, close to Dexter. Glen wasn't told he was adopted and after his mother Callie died in 1944 he decided to go into the Marines and needed proof of his age and wrote for birth certificate which came and was the original with his mothers name. Mable wouldn't tell her daughters they had a half brother. Glen was married 3 times and md his 3rd wife Carol in 1969 and help raise her 4 children. Glen had a daughter Jodie who lives in Portland, OR and also had a son Glen Jr who died in 1983 and left a wife and 3 young children. The two boys are now out of school and the girl will be a senior. Glen worked as electrician at Bonneville Power, now retired and works part time. Sandra also sent a copy of obit of Harley Arnold who died in 1969 at Dexter, MO.

Sandra sent pic taken Christmas 1956, Warren Michigan of Mabel Ekstrom, Nellie Dyer, Irene Dyer and Ida Kless. (Feb 2001) Under parents info.

## Notes

CHILD 5 - James Richard Dyer (Continued)

He had a high school education and went on to be a Building Contractor of homes in the San Jose CA area. By 1975 he was semi retired.

He was married and divorced 1963 and had 2 children by 1st wife. He had no children by 2nd wife. James and Stephanie eventually reunited and were together till James death in 2005.

They built a cabin in the Sierra Mountains, about 3 1/2 hour drive from their home. Said the country side was like in Bavaria, Germany. 1972 they went to Germany to visit Marianne's family. Toured almost all of Europe from Greece to Spain at that time.

James is active in Mason's and Shriners. Both play golf.

He sent me a picture of he and Marianne taken May 1980. Picture of him with his brother and sisters taken in 1995 in MI also. Sandra sent a picture of him and Stacia taken at their granddaughters wedding Apr 1997 in Chico, CA. Sent card to him on his 80th birthday.

He and his first wife Stacia live together but apparently Jim has no plans to marry her again. They go to Palm Springs in the winter and return to their home in Arnold, CA in summer.

Sandra Knoell notified me of his death 19 Aug 2005 in Santa Clara, CA hospital. He had several medical things wrong and had first went in the hospital 5 June and transfered him to different places and last was closer to his family. He really did suffer at the last for couple months as needed couple surgeries that wasn't possible because of his health so he just had to live with the pain and suffer. How any one person could have so many things go wrong and not be able to do anything about any of them is a mystery to me. He was 86 yrs of age, would be 87 the 19th of Sept.

His daughter Patty had notified Sandra and she let me know. There are two sisters left in that family, Ida and Erma.

Patty put together a family info on her mother and sent pic of her in 1918 and then at the end of her life at age 95. Few other pic of them as well, very nice tribute to her parents. Sep 2013 sent to me by Sandra Knoell.

CHILD 6 - Ida Melvina Dyer

Address: 1997-2615 Magnolia Park Lane #102, Naples, FL 33942. She moved here to be close to her son.

Later she moved to New Port Richey then to Naples. They lived in Warren, MI until Apr 1974 when they moved to Florida.

She had lived at the same place for several years. On the edge of a golf course. She still played. They both did before Gus died. Area very pretty.

Had such a nice visit even though it was short. Have pictures taken then.

By 1997 she had moved to Naples, FL to be closer to her son, even though she is still very active and still golfs.

Sandra Knoell sent a picture of her with her brothers and sister taken in MI at the Dyer reunion in 1995. She doesn't look any older now then she did when we visited her in 1983. Her brother and wife, Raymond came over and we met them for the first time also.
